Tuning: E A D G B E

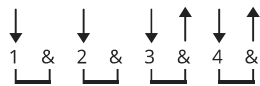

Key: C

## CHORDS

## STRUMMING PATTERN

99 bpm

[Verse 1]

**C** **F**  
I've been a rover, I've travelled over  
**G** **C**  
This grand old country far and wide.  
**F** **Am**  
Yet as I've wandered, I've often yearned and dreamed,  
**Dm** **G**  
Of a spot that fills my heart with pride.  
**F** **G**  
And I've made my mind up as from today,  
**Am** **G**  
To the spot I'm going back to stay.  
**G**  
For...

[Chorus]

**G** **C**  
There's a part of my heart in Wonthaggi  
**Dm** **G** **C**  
And it's calling me, calling me home.  
**F** **C**  
Skies are blue, hearts are true in Wonthaggi  
**Dm** **G**  
And when I get back there no more I'll roam.  
**C** **F**  
As I walk down the street, all my pals I will greet,

**C**          **Dm**                  **G**  
On that same old corner where we used to meet.  
**G**          **C**  
There's a part of my heart in Wonthaggi  
          **Dm**                  **G**          **C**  
And it's calling me, calling me home.

[Verse 2]

**C**                                  **F**  
I'm not forgetting, I'm not regretting,  
**G**  **C**  
The tracks I've wandered far from home.  
**F**  **Am**  
All it has taught me as nothing else could do,  
**Dm**  **G**  
What I've missed wherever I would roam.  
**F**  **G**  
Still I'm going back again today,  
**Am**  **G**  
I'm so happy I could shout "Hooray"  
**G**  
For...

[Chorus]

**G**          **C**  
There's a part of my heart in Wonthaggi  
          **Dm**                  **G**          **C**  
And it's calling me, calling me home.  
          **F**  **C**  
Skies are blue, hearts are true in Wonthaggi  
          **Dm**  **G**  
And when I get back there no more I'll roam.  
          **C**  **F**  
As I walk down the street, all my pals I will greet,  
          **C**                  **Dm**  **G**  
On that same old corner where we used to meet.  
**G**          **C**  
There's a part of my heart in Wonthaggi  
          **Dm**                  **G**          **C**  
And it's calling me, calling me home.

[Outro]

**G**          **C**  
There's a part of my heart in Wonthaggi  
          **Dm**                  **G**          **C**  
And it's calling me, calling me home.  
          **F**  **C**  
Skies are blue, hearts are true in Wonthaggi  
          **Dm**  **G**  
And when I get back there no more I'll roam.

**C** **F**  
As I walk down the street, all my pals I will greet,  
**C** **Dm** **G**  
On that same old corner where we used to meet.  
**G** **C**  
There's a part of my heart in Wonthaggi  
**Dm** **G** **C**  
And it's calling me, calling me home.
